Thy Wonders

Album 20 Song 5

Song 5 I will not forget the wonders the Lord has shown

Psalm 78 – Not forgetting God's wonders, telling fathers' stories to next generations, so they hope in God and keep His commands. Echoes Deuteronomy 6:6–9 (teach diligently).

I will not forget the wonders the Lord has shown
Nor will I forget all His mighty deeds done

In the day of battle I will not turn my back
I will hold fast to the covenant, never slack

Before our fathers' eyes in Egypt's land
The Lord did wonders with His mighty hand

He split the sea, piled waters high
Led our fathers through on dry ground by

By day a cloud, by night a fire flame
Through the wilderness He led them in His name

He split the rock, gave water to drink
Made rivers flow, quenched thirst in a blink

They craved food to satisfy their desire
Tested God with hearts full of fire

He gave angel's bread to man below
Sent wind, brought meat in overflow

They ate heaven's grain, devoured winged prey
Yet still they sinned and turned away

They trusted not, provoked God's wrath again
Many fell, consumed by death's pain

But they returned and sought the Lord once more
Called Him Rock and Redeemer, their sure store

Yet with their tongue they lied in vain
Their heart was not right, their ways profane

I will not forget the wonders the Lord has shown
Nor will I forget all His mighty deeds done
